Executive summary

A Software engineering student passionate about technology and changing the environment around me. I am a quick learner and always open to opportunities to improve and learn new skills.

EDUCATION

St. Cloud State University, St. Cloud, MN
Software Engineering, Bachelor of Science   May,2023

TECHNICAL SKILLS

- Programming languages: C++, JAVA, JavaScript, HTML/CSS, PHP, Python
- Software: Visual Studio Code, UNIX, GitHub, Android Studio, Figma, XAMPP, Microsoft Office, Adobe Suite

EXPERIENCE

Software Development Group Project [Undergraduate Project, Money Transfer Mobile Application] SCSU

                                                  September 2020 – November 2020

- Successfully collaborated with members of my team to create a money transfer mobile application prototype
- Planned the project's scope, purpose, division of labor and timeline to complete it.
- Designed and implemented the architecture, user interface, platform and programming language for the mobile application using Figma Graphics Editor and Android Studio
- Configured a database to register and store users using MariaDB.
- Configured a server to host the application prototype.
- Tested the application to meet specification requirements.
- Presented the application prototype known as M-Dinero.

Personal Project [Portfolio Webpage]   October 2020 - Present

- Created a web portfolio to feature my interests, skills, projects and resume.
- Designed and coded the website using Bootstrap, React, JavaScript, HTML and SCSS.
- Tested and reviewed the webpage to meet taste.
- Hosted and deployed the website using GitHub pages.
- Maintaining the webpage to keep it up to date.

ACTIVITIES AND HONORS

- National Society of Black Engineers (NSBE) | Vice President September 2019 – Present
- Students of Software Engineering | Member |September 2018 – Present
- Computer Science Club | Member | September 2018 -Present
- African Student Association | Member | September 2018 - Present
